WORK EXPERIENCE

Sales Associate **Jan 2025 – Dec 2025**
Espanshee, Malappuram, Kerala

- Assisted 50+ customers daily with product selection, sizing, and styling recommendations, contributing to consistent achievement of store sales targets.
- Built rapport with repeat customers through attentive service and follow-ups, improving customer retention.
- Applied upselling and cross-selling techniques to increase average transaction value.
- Managed billing, inventory checks, and visual merchandising to ensure smooth store operations.

PROJECTS

E-Commerce Web Application | *MERN Stack* github.com/Lashin777

- Developed a full-stack e-commerce platform using MongoDB, Express.js, React.js, and Node.js with features including product listings, search and filtering, shopping cart, and user authentication.
- Built RESTful APIs for product, user, and order management, and integrated secure login using JWT-based authentication.
- Designed a responsive React front end ensuring a seamless experience across mobile and desktop devices.
- Managed product and order data in MongoDB and used Git/GitHub for version control.
